

# International Conference on Educational Technology and Online Education 2026 (ICETOE 2026)

📅 26-27 Nov 2026

📍 Ho Chi Minh City Open University, 97 Vo Van Tan Street, Xuan Hoa Ward, Ho Chi Minh City, Vietnam

## CALL FOR PAPERS

ICETOE 2026 aims to critically examine these developments and advance scholarly discourse on the design, governance, ethics, scalability, and sustainability of online and hybrid education. Under the theme “**Educational Technology and Online Learning: Trends Driving the Next Wave of Digital Education,**” the conference invites contributions that provide theoretical insight, empirical evidence, methodological innovation, and practical implications for the future of educational technology.

## 📌 The conference welcomes submissions including, but not limited to, the following areas

- Emerging technologies in online education
- The evolution and impact of MOOCs
- Gamification and immersive learning environments
- Cybersecurity and ethical issues
- Institutional strategies for scaling
- Learning analytics and data-driven decision-making
- Digital competence for learners and educators
- Hybrid and blended learning models
- Blockchain and digital credentialing
- AI-powered chatbots in education

## 📁 PUBLICATION PROCESS AND OPPORTUNITIES

Authors first submit an abstract for review. Accepted abstracts are invited for presentation and full paper submission.

### Full papers may be published in:

- Special Issue of Ho Chi Minh City Open University Journal of Science (HCMCOUJS) – peer-reviewed, indexed in ACI and DOAJ, and recognized by the State Council for Professor Title of Vietnam (0–1.00 scientific publication points).
- Conference Proceedings.

Papers not selected for the Special Issue may be revised and considered for the Proceedings. Further publication details will be announced on the Conference website.
